

GREENBRIAR ESTATES GATE SYSTEM

FRONT GATES (Locust Lane)

Day Time Operations: 7AM-6PM

Entrance gates are open for clear passage throughout these time periods.

Night Time Operations:

Entrance Gate can be opened by two methods:

Telephone Entry System Control Box (Located outside the gate.)

Remote Gate Opener

The telephone entry system can be used by resident to open the gate by entering # and their 4 digit entry access code on the control box keypad.

Resident's guests may use the telephone entry system control box for entrance when the gate is closed by scrolling down the directory to the last name of the resident. They press the call button which in turn calls the resident's phone number in the directory. When the resident answers the phone, the guest will identify themselves and the resident may grant access by simply pressing "9" on their phone.

Remote gate opener works similar to a garage door opener, press the button on the remote and the gate will open for entry into the community.

REAR GATES (Don Street)

Gates are closed day and night.

To exit the gate will automatically open by pulling your vehicle up to the gate.

Entrance can only be maintained with a remote gate opener.

New residents can obtain their 4 digit code by calling Paul Duty, 208-465-6360 or sending an email to doina100@msn.com and providing your name, phone number, and street address. You also contact Paul if you have a change to your phone number, so your entry code can also be changed.

Remote gate openers may be purchase from the Greenbriar Estates HOA for \$20.00, by contacting Paul Duty at 208-465-6360.
