July 15, 1999

Dear Canterbury Homeowner:

The Architectural Review Committee agreed to change the requirement for Bloodgood Sycamore trees along the front of each homesite to also allow:

Bloodgood Maple
Autumn Blaze Maple
Deborah Maple
Green Mountain Sugar Maple

Sincerely,

ARCHITECTURAL
REVIEW
COMMITTEE

F

Georgia Mackley for Committee

PLANT MATERIAL COMMON NAME

BLOODGOOD SYCAMORE

Height 70- 90' Spread 70'

Hardiness -20 degrees

Shape Round

Fall Color Yellow

Exfoliating bark reveals colors of cream, olive and brown, handsome in winter.

AUTUMN BLAZE MAPLE

Height 50' Spread 40'

Hardiness -30 degrees

Shape- Upright branching, broadly oval

Fall Color Brilliant orange-red, long lasting. Excellent tree for our tough, alkaline soil.

DEBORAH MAPLE

Height 45' Spread 35'

Hardiness -30 degrees

Shape- Broadly oval

Fall Color Yellow

New growth is brilliant red changing to dark green.

GREEN MOUNTAIN SUGAR MAPLE

Height 45' Spread 35'

Hardiness -35 degrees

Shape broadly oval

Fall Color reddish orange to red

Hardy tree with reliable fall color.
